

ELIGIBILITY RULES

Grades:

Participants in the League must **live** in the D.C. Everest School District and must be in sixth or seventh grade.

Paperwork:

1. Emergency Medical Information Forms.
2. Release and Waiver of Claims Forms.

Academics:

Members of the Executive Committee place academic success over athletic achievement. All athletic equipment issued by the League remains the property of the League. The League's property must be appropriately cared for and returned at the end of the season or when a Player's involvement in the League ceases. Participants who fail to return the League's equipment will be charged fair market value for it.
