

TEAMWORK**Defined:**

Dictionary: the action or effort of people working together as a group

EYFL:

1. Placing the goals of the team above one's personal goals; Being more concerned about "**we**" than about "**I**". Note: There is no letter "I" in the word "team".
2. Respecting the coaches and other players on the team.
3. Doing whatever is asked of me to help the team, as long as it is legally and morally right, even if I would rather do something else.
4. Encouraging, supporting and defending coaches and teammates.
5. Maintaining and improving the team's reputation, both on and off of the field.

Types of teamwork:

1. Families.
2. Athletic teams.
3. Schools.
4. Group assignments.
5. Places of employment.
6. Specific tasks that more than one person works on.
7. Military assignments.
